

To whom it may concern,

Mainspring Academy is a not-for-profit 501c(3) special education school in Jacksonville. We are proud to serve a community of students who are often missed, those with lifelong intellectual and developmental diagnoses, including autism, Down syndrome, cerebral palsy, and other severe learning and behavioral differences. Since 2015, Mainspring Academy has been fulfilling its mission to provide quality, individualized education in a safe learning environment where children with intellectual and learning differences can thrive. For many students, Mainspring Academy is the only school that is willing and able to meet their needs and give them the opportunity to reach their fullest potential.

From February 10th-17th, 2025, our families are hosting our 4th annual 7-Day Fundraiser Step Challenge called "Miles for Mainspring". The purpose of the challenge is to raise \$10,000.00 for our enrichment school programming, which includes adaptive art, fitness, and music. Research findings from various peer-reviewed publications such as the Journal of Intellectual Disability Research, Journal of Autism and Development Disorders, and Perception and Motor Skills Research Exchange show that enrichment programming fosters significant improvements in the areas of student communication, motor development, and emotional regulation.

We are seeking sponsors in order for this event to be a success, and it is our hope that we can count on your commitment to help us attain our fundraising goal of \$10,000. I have enclosed materials that describe available sponsorship opportunities. All sponsorships are 100% tax deductible.

On behalf of Mainspring Academy and most importantly, the many students who benefit from our efforts, I want to thank you for your consideration. If you have any questions about the event, or would like to learn more about Mainspring Academy, please contact us at (904) 503-0344 or visit our website at www.mainspringacademy.org.

We appreciate your consideration and looking forward to hearing from you soon!

Respectfully,

Sabrena Snow, Director of Community Affairs
