

To whom it may concern,

From February 10th- February 17th, 2025, I will be participating in Miles for Mainspring, a 7-Day Step Challenge to raise awareness for Mainspring Academy, a not-for-profit 501c(3) special education school in Southside Jacksonville. I hope that you will support my walk by sponsoring. My goal is to walk 10,000 steps a day for all 7 days.

The purpose of the step challenge is to raise funds so that Mainspring can continue to provide its enrichment programming to its 66 students. This includes adaptive art, fitness, and music. Clinical research has shown that enrichment programming fosters significant improvements in the areas of student communication, motor development, and emotional regulation. Since 2015, Mainspring Academy has served a community of students who are often missed, with lifelong intellectual and developmental diagnoses, including autism, Down syndrome, cerebral palsy, and other severe learning and behavioral differences. Their mission is to provide quality, individualized education in a safe learning environment where special education students can thrive. For many students, Mainspring Academy is the only school that is willing and able to meet their needs and give them the opportunity to reach their fullest potential.

If you would like to sponsor me by making a pledge, please fill out the enclosed form and return it to me or Mainspring Academy by Wednesday, January 1st, 2025. All sponsorships are 100% tax-deductible.

Thank you for your kind consideration. If you have any questions about Miles for Mainspring, or would like to learn more about Mainspring Academy, please contact the school at (904) 503-0344 or visit their website at www.mainspringacademy.org.
